

Official Guide to the Church of Areaology

Since January 2006

CoA and Bowie's Area...It just keeps getting bigger and bigger!

CoA? Seeoway? What the hell is it?

The CoA is dedicated to the most holy Area of David Bowie and the continuing worship of it's mighty power! All devotees of the CoA are witnesses to the divine power of David Bowie's Area and are commonly known as Areaologists.

The original Areaology.com was founded by the first Area devotees to demonstrate the scientific theory that all the powers of the world and universe were directly related to the power of David Bowie's Area.

The **ChurchofAreaology.com** was founded in January 2006 upon this basic principle, developed by those first original trailblazers, and has expanded upon it's core beliefs. We believe that Area power is indeed divine and that the Holy Area is a beacon of light that penetrates the darkness and calls upon us to get on our knees and worship it and the mighty David Bowie!

A follower of the **Church of Areaology** is distinguished from other Areaologists by several distinctive traits.

- Their vast knowledge of CoA tenets (such as how many "Hail Bowie's" you must perform for ogling someone else's Area other than The Bowie's)
- Knowing the difference between true shArea inductees and those that have never had the honor
- Their vast vocabulary of Area Terminology (stArea, bArea, shArea, whArea, etc)
- Their devotion to bArea that results in mild sweats, crossed or glazed eyes, hysteria, squees of joy, and "special alone time"
- Taking the Pledge to the Area and devoting all their hard-earned money to it's lasting fame and glory! Hail Bowie!

How do I join?

In order to be a member of the CoA you must worship David Bowie, The Holy Area, and his music. You must be well versed in the beliefs and practices of fellow Areaologists and must devote yourself to hours of worship as well as possessing a sense of humor and a pervy desire to wish

you could have been a shArea inductee. Finally, you must take the Pledge to The Area and proclaim the CoA as your church and Areaology as your true faith and calling!

Where do you worship?

Areaologists are everywhere but we do have several places of worship for our members to gather and share their faith in the Holy Area.

You can learn all about the CoA, the faith, the tenets, information for all new initiates as well as the seasoned Areaologists seeking guidance, and get the best of Area on the web at www.churchofareaology.com.

Once you join the CoA you can join other members at the official Bowie_Barea forum on Livejournal.com. This is an exclusive site and only for the serious initiate.

New comers and Bowie newbies are welcome to join us at Bowie_Daily on Livejournal.com, our sister forum, to immerse themselves into the plethora of Bowie knowledge, pics, and fun that are shared by all his fans and devotees.
